# TRAIL QUEST: CAN YOU FIND THE HOLES?

**Please stay on trails and only take pictures.  
You will be able to find each of these things without leaving the trails.**

**Take photos of the holes you find and tag us on  
Facebook or Instagram, we can tell you if you're  
answers are correct.**

Can you find a hole at  
the bottom of a tree?  
Is it the right size for an  
insect? A chipmunk?  
Something bigger?

Find a hole in a tree that  
is higher than your head.  
Who do you think lives  
there and how did they  
get up there?

Find a hole in the  
ground. Can you see  
any clues that  
someone was there  
recently?

Can you find a pattern  
of holes on a tree?  
Which bird do you  
think made them?

Can you find a hole in a  
stem? Some insects  
spend the winter in  
hollow stems. Do you  
think they are still in  
there?

Find a hole in a  
leaf. Can you spot  
any insects nearby?

Can you find a hole  
with an animal  
looking out of it?
